

# YMCA Camp Sloper

## Southington-Cheshire Community YMCAs

### Sunscreen/Bug Spray Permission

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

The Camp Nurse, a Unit Director, a Leadership Staff member, or a lifeguard will assist or supervise a staff member in reapplying sunscreen during the lunch period each day. Campers in 4<sup>th</sup> grade or above may be directed to self-apply with supervision or assistance if needed. All West Coast campers grade 6 and above should self-apply sunscreen at all times.

#### Sunscreen Brand: (select one)

- My child has permission to use the Banana Boat Kids 50 SPF Sunscreen Lotion that is available at camp. I will not hold the camp responsible for any allergic reaction that may occur from the use of this product, and I am unaware of any such reaction in the past.
- I will be providing my own sunscreen for my child. I understand that I must supply the product in the original container labeled with the child's name.

#### Sunscreen Application: (select one)

- My child will self apply the sunscreen during the lunch period each day.
- Permission is granted for the sunscreen to be applied to my child by a staff member of YMCA Camp Sloper during the lunch period each day.

#### Bug Repellent: (select one if sending in bug repellent)

- My child will self apply bug repellent during the lunch period. I understand that I must supply the product in the original container labeled with the child's name.
- Permission is granted for the bug repellent to be applied to my child by a staff member of YMCA Camp Sloper during the lunch period each day. I understand that I must supply the product in the original container labeled with the child's name.

**NOTE: If you would like to receive your product back at the end of your child's time at camp, please send in a note to your child's counselor on their last day indicating your wishes. Any leftover product will be discarded one week after camp has ended for the summer.**
